Dear Ms. [REDACTED]

Tom Turqman has given me the information we requested from your agency. We certainly appreciate the time you have taken to assist us in the task of organizing the Foreign Commercial Service.

I know you are aware of the organizational pains we are experiencing and as a personnel officer yourself, how valuable any assistance is. Your help has been particularly valuable and Tom and I are grateful.

Hopefully we will be able to return the courtesy you have shown us. If we could be of some service to you in the future, please feel free to call on us.

Sincerely,

John Golden
Director of Personnel

Foreign Commercial
Service Task Force
